AMENDMENT AND RESPONSE TO OFFICE ACTION

In response to the Office Action mailed April 14, 2006, in connection with the above-referenced patent application, Applicants respectfully request entry of the following amendments and consideration of the attached remarks.

Applicants would also appreciate being given an opportunity to discuss the claimed subject matter telephonically with the Examiner when this Response has been reviewed, and before a further Office Action is prepared. **Please contact Applicants' counsel (undersigned) at 503-439-8778 to arrange a telephonic interview at a convenient time.**
